

A MESSAGE FROM THE
DEPARTMENT OF PEOPLE WHO WORK FOR A LIVING

TELL CONGRESS:

Help Working People, **NOT BILLIONAIRES**

Donald Trump promised to lower prices. But instead, he's letting unelected billionaires like Elon Musk rampage through federal government data, looking for ways to further enrich themselves.

Trump Helped Anti-Union CEOs Violate Workers' Rights.

Trump illegally fired a National Labor Relations Board (NLRB) member, preventing anti-union corporations and CEOs from facing any punishment for violating workers' rights.
